

EXIT SIGN 2 FACE

Description

SWWSLEX2S Recessed mounting allows all components to be hidden in the ceiling (standard white aluminum housing allows the housing plate to blend in with most ceilings). Optional press-on directional arrows allow for placement in all applications. Standard unit is designed for drop ceiling applications where access can be made from the top.

Features

- 2 Faced Mirrored Plate.
- Aluminum Housing.
- Recessed Ceiling Mount.
- Emergency Backup Available.

Model Number	Size	Dimensions (in)
SWWSLEX2S	3.00 (D)	3.0 x 16 x 14
