

# Float Square Panel Fixture

Item: **SWWSCFPF40W30K**

- **The 6063 aluminum creates an excellent cooling effect, low-power LEDs with large chip, and the LEDs work in low temperatures.**
- **Our diffuser plate has a silk-screen transparent plate, with a strong three-dimensional sense.**
- **0-10V dimming non-flicker power supply, with a surface installed aluminum housing, good heat dissipation, and convenient installation.**
- **The reflective sheet is high stability, creating a high lighting effect, and uniform light-emitting surface.**

White coating:

Model Number	CCT	Light Output (lm)	CRI	Power	Input Voltage	Dimensions
SWWSCFPF40W30K	3000K	3600	≥ 90	40W	DC 24V 50/60Hz	1 x 4
SWWSCFPF40W40K	4000K	3900				
SWWSCFPF40W50K	5000K	3900
