

LED Contemporary Linear Bathroom Wall Light

ITEM #: **SWWAUCLBWML**

This bathroom light includes integral LED driver, easy for mains voltage connection directly. Long head of the fitting ensures an even illumination across the cabinet, mirror front or beside wall. Class II, double-insulated and IP44 rated makes it suitable for mounting within zone 1 and zone 2 areas.

The elaborate design endows it to be installed as modern LED WALL LIGHT beside wall,

LED CABINET LIGHT on surface top of cabinet,

LED MIRROR LIGHT by clipped on to the top of mirror directly and

LED PENDANT LIGHT as well.

Available in warm white, neutral white and cool white LED, allowing you to create the perfect mood lighting.
