LED Glass Outdoor Wall Sconce

Description:

Our Glass Outdoor Wall Sconce fixtures are designed for indoor and outdoor use. They are ideal for illuminating foyers, entrance ways and balconies. Their hidden LEDs refract through the glass, creating a peaceful raindrop glass effect. Their glass is complemented by an elegant frame with a black matte finish.

SAMPLE ITEM NUMBER: ILSLGOSC 11 3 BL

Electrical Data:

- **Input Power:** Stays consistent over life.
- **Input Voltage:** 120V
- **CRI:** >90
- **L70 Lifetime:** >50,000 hours.

Controls:

- This LED fixture is equipped with 0-10V dimming that works universally with any standard 0-10V control or dimmer.

Optical System:

- A unique combination of reflective & refractive optical components achieves a uniform, comfortable look while eliminating pixelation & color fringing.
- Parts work in unison to optimize light distribution, balancing the high delivery of high illuminance levels on horizontal surfaces with an ideal amount of light on walls and vertical surfaces, increasing perception of spaciousness.
