Kenmare Wall Light

Description:

Our Kenmare Wall Light is a 10W fixture with various finish options; black white, or grey. This fixture can be wall mounted to illuminate hallways, hotels, or anywhere wall lighting is needed.

Features:

- Voltage: AC85-265V
- Components: Powder coating finish, Anodized aluminum reflector.
- Construction: Aluminum die-casting body, Tempered glass diffuser, Silicone gasket.
- Shape: Round or Square
- IP54
- Wattage: 10W
- Beam Spread: 120°-180°
- CRI >90
- Available Color Options: 2700K, 3000K, 4000K, 5000K, 6000K.
- L70 Lifetime: >50,000 hours.
- Available Finish Option: Black, White, Grey
- Lighting controls option available.
- 7 Year Warranty.
- Dimensions: 6.69IN x 6.69IN x 3.94IN

Electrical Data:

- **Input Power:** Stays consistent over life.
- **Input Voltage:** AC85-265V
- **CRI:** >90
- **L70** >50,000 hours.

Optical System:

- A unique combination of reflective & refractive optical components achieves a uniform, comfortable look while eliminating pixelation & color fringing.
- Parts work in unison to optimize light distribution, balancing the high delivery of high illuminance levels on horizontal surfaces with an ideal amount of light on walls and vertical surfaces, increasing perception of spaciousness.
