## Abbott Bug Eye Head

### Description:

Our Abbott Bug Eye Head will give you an ultra-bright, energy efficient, long lasting, emergency illumination, guiding your way to safety in the event of an emergency.

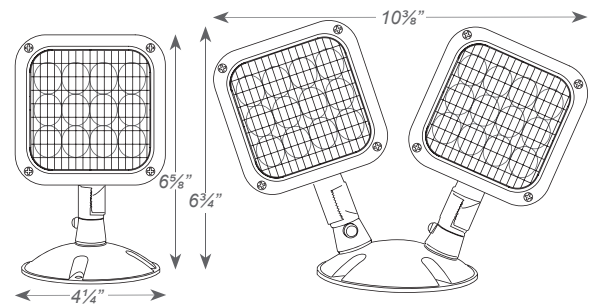

### Features:

- Long lasting, efficient, ultra bright white LED lamp heads.
- High performance chrome-plated metalized reflector and glass lens with 8 or 12 LED's in each lamp head for optimal light distribution.
- Adjustable LED lamp heads increases center-to-center spacing.
- Universal mounting base mounts to single-gang switch box.
- Distance of maximum run is determined by system voltage, wire gauge and total maximum wattage on the run.
- Housing Material: Available in both engineer grade, high-impact resistant thermoplastic or premium grade die-cast aluminum housing for outdoors.
- Finish: Gray or Black.
- L70 Lifetime: >50,000 hours.

Also available in Thermoplastic
