

Marina Step Light

Description:

Our Marina Step Light is designed for any indoor or outdoor location with an IP65 rating. Easily wall mounted with CCT options ranging from 2700K – 5000K with an RGB option available. The Marina Step Light is ideal for outdoor wall lighting, steps, or decks.

Features:

- Input Power:
 - High Voltage: 100 - 120V AC
 - Low Voltage: 12V AC / DC
- IP65 Rating.
- Wattage: 2.5W.
- 175 LM
- CRI >90
- Available Color Options: 2700K, 3000K, 4000K, or 5000K, RGB. (RGB only available on low voltage)
- Trim Styles: Window or Louver
- L70 Lifetime: >50,000 hours.
- Dimming Option Available.
- Fits standard octagon/round junction boxes
- 7 Year Warranty.

SAMPLE ITEM NUMBER: ILUGMAAD VR 3 BL H DM

Electrical Data:

- **Input Power:** Stays consistent over life.
- **Input Voltage:**
 - High Voltage: 100 - 120V AC
 - Low Voltage: 12V AC / DC
- **CRI:** >90
- **L70 Lifetime:** >50,000 hours.

Controls:

- This LED fixture is compatible with dimming options.

Optical System:

- A unique combination of reflective & refractive optical components achieves a uniform, comfortable look while eliminating pixelation & color fringing.
- Parts work in unison to optimize light distribution, balancing the high delivery of high illuminance levels on horizontal surfaces with an ideal amount of light on walls and vertical surfaces, increasing perception of spaciousness.
